*Please note that whilst there is a deadline for applications, volunteers will be assessed firstly on the merits of their application and secondly placed on a first come first serve basis and where we are full, we may not be able to place you. If you would like to make an application after the deadline, please still email in to see whether there are available spaces if you are interested. Generally applications will not be accepted after training has occurred for the intake.

If you wish to take exam or semester break leave, please inform us in the application or at induction and we will happily make other arrangements.
