Christmas and New Year break (TBA)	

*While there is a deadline for applications, volunteers will be assessed firstly on the merits of their application and secondly, on a “first come first serve” basis and where we are full, we may not be able to place you. If you would like to make an application after the deadline, please still email to see whether there are available spaces. Generally, applications will not be accepted after training has occurred for the intake.

Please note that if you wish to volunteer as a legal assistant you **must commit** to attend all of your volunteer shifts within that intake. If you cannot do this, or you wish to take exam or semester break leave, please inform us in the application.

Please also note that you must attend the induction day of your intake if you are a new volunteer, the induction day will be a full day of training. Non-attendance will mean that you will not be able to volunteer for the intake as a significant amount of training is completed on this day.
